“CTA Students Dress for Success!”

Dress Code Rationale: It is the vision of Cross Trainers Academy to teach students to dress professionally. Many places of employment hold dress codes for their employees. School is the child’s place of employment. We are preparing students for the work place. It is our desire that students not compete with each other over fashion, which is why we limit and prefer certain items in our dress code. Students will have opportunities throughout the year to enjoy some special school spirit days where they may enjoy their own style (notices will come home for these special school spirit days in advance to inform parents/guardians.) Students will be allowed to wear CTA spirit wear Tee shirts in Fridays but are asked to wear uniform pants. Students need to bring a pair of gym shoes on their gym day to change into during gym time. Parents are the front line when it comes to dressing for school. Please make sure your children meet the requirements of the CTA Dress Code prior to leaving the house and that additional clothing is not brought to school by students in back packs unless requested by a teacher in the form of a note (example: for a special field trip or performance that day). Thank you for helping us build a professional atmosphere for all CTA students.

If you have any questions regarding our CTA Dress Code please contact your respective principal or the school administrator. (414) 935-0500
