FRIDAY DELIVERIES TO OUR REMOTE CTA FAMILIES CONTINUE!

After ten months of navigating our way through the challenging path laid before us by COVID-19, we were blessed with the opportunity to deliver provisions and faith to our families at Christmas time. While our deliveries of food have gone from weekly to bi-weekly, we have increased our amounts to ensure that our families are supported. It has been a blessing to become more familiar with our students' neighborhoods and the community, but we long for the time when 100% of our students can be back at CTA in person. The simple fact is, most of our students earn higher grades and hear more of the Gospel when they are here at CTA in person. We pray that God will help this to safely occur soon!

Welcome MRM/CTA
North Campus Pastor
Brian Kenner

We are excited to be adding Pastor Brian Kenner to our staff team at the North Campus of MRM. His work will be devoted to the ministries of Cross Trainers Academy (CTA) and Equip, where he will provide support and leadership in the Gospel. Pastor Kenner will help to keep our direction and path clear. Please join us in welcoming him.

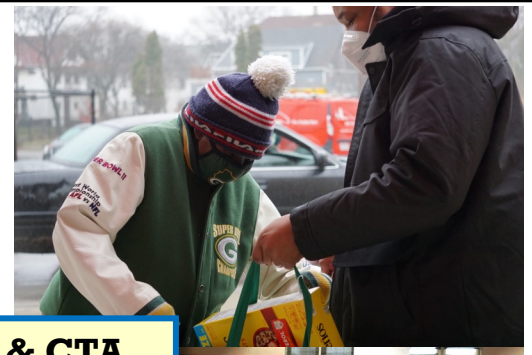

CTA in 2020-21:

Our scripture for the 2020-21 school year continues as Romans 12:2 —

"And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect."
